LECTURED ON PANAMA CANAL.
Charles H. Brown Told Members of
Arcanum Club About His Visit to
the Isthmus.
In his interesting manner Charles
H. Brown entertained the members of
the Arcanum club on Thursday eve-
ning with a talk on his trip to Pan-
ama and what he saw of the big canal
being built. For two hours and a half
he held his hearers as would the
country, the work, and the result
will be, illustrating his statements
with crayon sketches. His de-
scription of his personal observations
was in detail and accompanied by
much data, so that one of his
hearers who had heard four lectures
in the big ditch said that it was the
best lecture he had ever heard upon
the subject. Cigars were passed dur-
ing the evening.
Mr. Brown offered his services to
the club, and no doubt if he should
repeat his talk the hall would not be
large enough to hold the crowd.
The affair was given under the aus-

THIRD COMPANY HAS
ITS LARGEST ATTENDANCE
Record for the Year, the Drill Being
Followed by a Supper and Enter-
tainment.

At the weekly drill of the Third
company, C. A. C., at the armory on
Thursday evening two recruits were
received and following the regular
drill under Lieutenant Churchill the en-
tertainment committee served a sup-
per in the company room to which
full justice was done. The commit-
tee includes Corporal Hanger, Musi-
cian Pendleton and Mechanic Kelley,
and they had the valuable assistance
of Frank Peckham, Mrs. W. R.
Denison, Miss Grace Lathrop, Miss
Lottie Pitcher and Miss Pitcher.
During the evening there was mu-
sic by Miss Lathrop and Miss Pitcher
and after supper a potato race pro-
ved a howling success, Sergeant Orman
being first and Private Donohue sec-
ond. In indoor baseball games, First
Sergeant Smith's team defeated Pri-
vate Peterson's team by a close score.
It was declared to be one of the pleas-
antest times the company has had in
some time. The attendance was the
largest of the season.
The adjutant general has issued the
order showing the result of the rifle
and pistol firing for the state militia
drill under 1910. The Fifth company leads
the corps with 100 per cent of 100,
and the Third company is second
with 92.24, headquarters being third
with 82.21. The figures and re-
sults of the two local companies have
been previously given.
Those who have qualified as ex-
perts, sharpshooters and marksmen
are awarded U. S. medals, which
will be worn on the full dress or dress
uniforms. Only one of these can be
worn at one time, and this must be the
last one awarded.

FOUR HUNDRED INVITATIONS
FOR GOLDEN JUBILEE.
Half for Members and Remainder for
Guests of St. Mary's T. A. and B.
Society.

So great is the demand for tickets
for the coming fiftieth anniversary
celebration of St. Mary's T. A. and B.
Society that the committee in charge
is already swamped with requests for
tickets, and the indications are that
even before the present accommodations
of their hall would be inadequate to
accommodate all who want to at-
tend. All the tickets and invitations
have been given out about 400 alto-
gether, of which one-half are invited
guests and the balance for the mem-
bership.
The committee is holding nightly
meetings now until next Wednesday,
the date of the anniversary, to com-
plete the final details.
Among those specially invited from
out of town, acceptances have been re-
ceived from the following: Rev. P. J.
O'Brien of Montreal; Rev. Joseph Mc-
Carthy of Waukegan, former curate at
St. Patrick's church; James F.
Brennan, New Haven, a former nation-
al vice president; John A. Corbett,
New Haven, vice president of the Na-
tional C. T. A. U., and state treasurer;
Frank Kinney, Branford, state sec-
retary; John Wiley and J. Kenney of
Bridgeport, former state officers. These
are in addition to the list of out of
town speakers formerly announced,
which contains some of the best known
of Catholic temperance workers. About
75 of the leading citizens of Norwich
are on the list of invited guests.
St. Mary's T. A. and B. society has recently
voted the sum of \$25 to aid in the
cost of the celebration and is to take
charge of the decorating of the hall.

HAVE THREE REHEARSALS
EACH WEEK AT PRESENT.
Open House Members Doing Some
Great Work in Theatricals.

With about two weeks left before
the amateur theatricals to be given un-
der the auspices of Open House, the
local troupe which has been making
has gone upon a schedule of three re-
hearsals per week for the rest of the
time before the night of the produc-
tion. As two plays are to be given
each evening this time, there is much
to be done and every minute of the
rehearsal is of value that will show in
the perfect production. Rehearsals
are held both at the clubhouse and on
the stage at Olympic hall and are un-
der the entire direction of Joseph C.
Dyer, whose previous experience and
ability in this line were shown a year
ago in the fine work done by the local
amateurs.
The cast this year will include
nearly all of those who scored so
heavily in the production of a year
ago, which several in addition to the
increased number of characters.
Most of the rehearsing now is devoted
to "Partners," a three act comedy, with
characteristic humor and a happy
New York production, while the other
play to be given is "Fennell," a one
act romance, with four characters.
There are a host of other business and
situations requiring a professional
grasp of the requirements, but the re-
cord made a year ago by the same peo-
ple, and the progress made so far, show
these two plays gives every indication
of another pronounced success.

ARRESTED HERE ON
A SERIOUS CHARGE.
Jonas Green, Aged 50, Will Have Hear-
ing in Preston Today.

On information furnished by Joseph
Kern Grand Juror Carpenter on
Thursday issued a warrant for the ar-
rest of Jonas Green, aged 50, of this
city. Constable Weston Pullen and
with it and Policeman Morgan placed
the accused under arrest. He is a
shoemaker, married, and has several
children. There will be a hearing of
his case in Preston at 4 o'clock this
afternoon before Justice A. J. Bailey.
It is claimed that Green led astray
a girl who is 18 years of age and that
he is the father of her child born this
week. The offense was committed in
Preston and the hearing therefore must
be held in that town. It is understood
that the accused denies the charge.

INTEREST CONTINUES AT POOL.
Members of Arcanum Club to Number
of 21 Are Engaged Therein.

Interest continues unabated in the
pool tournament at the Arcanum club,
and particularly exciting was the game
between Peterson and Rawson Thurs-
day evening. It occupied nearly all
the evening. The former is obliged to
get 110 points in each game while the
latter has to make but 100. He secured
his 100th and winning point when
Peterson had 109. The players, with
the games won and lost, are as fol-
lows: Peterson 4-3, Richards 1-0, Pier-
son 6-1, Harwood 4-1, Foss 7-3, Raw-
son 6-2, Swan 6-6, Pendleton 5-5,
Whitney 4-4, Wilbur 4-4, Butler 4-4,
Church 4-5, Haywood 2-2, Honeyman
1-2, Jordan 1-3, Fribble 1-3, Fribwell
0-1, Faintor 0-1, Portance 0-3, Brown
0-4, Stearns 0-6.

Changing Over Boat.
A 37 foot power cruiser, belonging
to A. H. Lathrop of Norwich, is in the
shop of Chisholm, Stewart
Noank, undergoing extensive repairs.
A new cabin has been put on. This is
finished, completely with mahogany
and adds much to the appearance of
the boat. A new two cylinder Stand-
ard gasoline engine has been installed
and the work on the minor repairs is
progressing rapidly. When the boat is
launched in about three weeks she will
present a most altered appearance
and will be almost wholly new.

WEIGH YOURSELF BEFORE USING
To use Samose, the great flesh-forming
food. The wonderful sale of this
preparation since first introduced in
Norwich and the remarkable results
following its use have made Utley &
Jones such enthusiastic believers in
the great value of Samose that they
give their personal guarantee to refund
the money if Samose will not make
thin people fat and restore strength
and health to those who use it.
This is a strong guarantee, but Utley
& Jones have seen so many of their
customers who a few weeks ago looked
like walking skeletons become plump
and well, solely through the use of
Samose, that they feel they cannot say
too much to induce people to try it.
This marvelous flesh-forming food
is assimilated as soon as it is taken
into the stomach, makes good rich
blood, tones up the weakened system,
helps to assimilate the food and makes
the user plump, well and rosy.

Death of Mrs. N. T. Blake.
Mr. and Mrs. R. H. Gray are in
Boston, having been called there by
the serious illness of his sister, Mrs.
N. T. Blake, whose death occurred
after a fourteen weeks' illness. A
daughter, Miss Katherine Blake of
this city, survives. Burial will be at
Derby, Vt.

Birds and Their Ways.
A flock of juncos was seen Thurs-
day morning. A nuthatch was found
one morning flying about the attic in
a house near here. It was brought to
one of the lower rooms, where it was
fed with warm milk, and soon after
it flew away through an open window.
At another place a pair of winter
chickadees, brown creepers, nuthatches
and downy woodpeckers feed on the
tree near and on the window sill of
the dining room while the family are
breakfasting within.

safer by those near by and will not
care to experience this method of
bathing until the water becomes a
trifle warmer.
